

Covid-19 Congregational Update
Next Steps – Virtual Services
11/20/2020

Dear Main Street Church family & friends,

We know that many of you have been monitoring the latest news regarding COVID-19 across the country and specifically in MN. This week, Bishop Ough has requested all Minnesota United Methodist Churches move to virtual worship. You can read the [letter here](#).

Our Administrative council met this week and agreed this was the best action to take help slow the spread and keep our congregation safe. This means ***we will move to virtual services beginning Sunday, November 22, 2020***. We will continue to meet monthly to review and determine when we may resume in-person services.

We thank you for your support, patience and prayers during this pandemic. Please continue to pray for our community and those doctors and nurses on the front lines. Remember, you are the church whether we meet in a building or online. May God keep you and your family safe.

In Christ,

Administrative Council
