

MCCI NEXT STEPS 2019

WHY IS IT IMPORTANT?

Our vision is to transform our community for God—one person at a time, one family at a time. God is counting on his people which includes believers at Main Street Church, to reach the people in our community who do not yet have a relationship with Jesus!

BREAKTHROUGH PRAYER TEAM

Join our Breakthrough Prayer team asking God to remove barriers, do new works, perform miracles, and trust him with things we cannot do ourselves. This team will serve by praying for God to do more than we can imagine to bring in our lives, our church, our community and beyond!

BREAKTHROUGH PRAYER

Gracious God, thank you for the incredible breakthrough moments we have already experienced.

Come Holy Spirit, continue to breakthrough in our hearts, our minds, and our lives. May you guide us as we align our will with yours; so that, every person in our community comes to know the depth of your love.

In Jesus name we pray, Amen.

ARE YOU READY?

GOD IS COUNTING ON YOU. SO ARE WE.

Now that we've gone through the process of identifying where we can do a better job of serving our community as a church, the next step is for us to take action. We've started by setting up five key teams to help Main Street Church move forward:

- 1 | GUEST CONNECTIONS
- 2 | FAMILIES FIRST
- 3 | SIGNATURE MINISTRY
- 4 | GROWING GENEROUS GIVERS
- 5 | PARTNERSHIP EXPLORATION

These teams need people like you to join in if this process we've committed to is going to actually work and make a difference. Please read about each team below and prayerfully consider your place within each. Our hope is that God will use these teams to focus and maximize the potential of our congregation for fruitfulness with Christ. Join us as we watch God breakthrough in ways we could not even imagine!

1 | GUEST CONNECTIONS LEAD TEAM

We average one to four first-time visitors every Sunday—but few of them come back to attend worship again. This team's responsibility will be to ramp up effective systems to ensure every guest is warmly welcomed, invited back and given an opportunity to connect into new appealing “on ramps” for relationships and connections within the congregation.

2 | FAMILIES FIRST TEAM

Our history has included significant ministry with children and teens, but much more needs to be done to raise up adult volunteer leadership, create structure and help our congregation focus on how to connect with an increasing number of young families. The Families First Team will be passionate about ramping up ministries with children, teens and their parents.

3 | SIGNATURE MINISTRY RESEARCH TEAM

This team will help us better identify our unique DNA and understand the incredible mission field all around us through interviews with service organizations, schools, government offices, businesses and other entities. This team will share their findings with the administrative council as we identify a churchwide signature ministry that will be our focus for the next two years.

4 | GROWING GENEROUS GIVERS TEAM

This team will serve as a strong foundation in the discipling dimension and pursuit of financial generosity throughout the congregation moving us from a scarcity mindset to one of abundance.

5 | PARTNERSHIP EXPLORATION TEAM

For 125 years we have been impacting the community and beyond with the Good News of Jesus. This team will work with Pastor Ralph and District Superintendent Susan Nienaber to learn about and explore details of the “Embrace” Network resourcing opportunity available to us.
